CIRRUS LOGIC VOICE CAPTURE DEVELOPMENT KIT LICENSE AGREEMENT

These terms apply to the Cirrus Logic Software contained within the shrink wrapped package in the Development Kit. By opening the package and/or loading the programs contained on the portable media, you agree to be bound by the terms and conditions below governing the use of Cirrus Logic programs (and related documentation). Third party license terms (including "Open Source" license terms) may also apply to other programs being made available in the package and/or the development kit. You agree that your access to, and use of, such programs will be governed by applicable third party terms of use, or applicable open source terms, and that Cirrus Logic shall have no liability for loss damage or expense arising from your use, or inability to use, such programs. Please follow all instructions for viewing and (where relevant) accepting such terms prior to download and use of those programs.

LICENSE AGREEMENT

This Software Evaluation and Development Agreement **("Agreement")** is entered into between either Cirrus Logic, Inc., a Delaware Corporation located at 800 West 6th Street, Austin, Texas 78701 USA (for users based in the United States), or Cirrus Logic International (UK) Ltd, a company registered in Scotland (Registered Number SC089839) whose registered office is at 7B Nightingale Way, Quartermile, Edinburgh EH3 9EG, United Kingdom (for users based outside the United States) (each, and together, "**CIRRUS LOGIC**") on the one part, and the party opening the packaging of the medium containing the Software and/or using the software ("**Company**") on the other part. This Agreement relates to certain software and related documentation provided to Company for evaluation and development purposes ("**Software**"), and any CIRRUS LOGIC evaluation/development boards and related materials ("**Evaluation Boards**") provided to Company. The effective date of this Agreement (the "**Effective Date**") is the date Company breaks the seal on the packaging of the medium containing the Software.

1. GRANT AND TERM OF LICENSE. In exchange for and subject to the terms, conditions, and limitations of this Agreement, CIRRUS LOGIC grants to Company a personal, royalty free, non-exclusive, non-transferable license ("**License**") to install and internally use the Software solely for Company's internal evaluation of the Software and development of products working with CIRRUS LOGIC'S semiconductor devices (the "**Purpose**") for an **evaluation/development period of twelve (12) months** from the date of delivery of the Software, or such other period as may be advised by CIRRUS LOGIC (the "**Evaluation Period**"). Subject to compliance with Clause 6, Company may permit use of the Software and any Evaluation Board(s) by its Affiliates, consultants and contractors, provided (a) all such use relates to the Purpose and (b) Company shall be responsible for the acts and omissions of all such third parties. "**Affiliate**" means any entity that directly or indirectly controls, is controlled by or is under common control of a party. Each License shall terminate at the earliest of: (a) the end of the Evaluation Period; (b) immediately upon any failure by Company to comply with the terms of this Agreement or in the event of the insolvency of the Company; (c) upon notice from CIRRUS LOGIC of termination of the License or the Agreement; (d) upon mutual agreement in writing by the parties; or (e) upon commencement of Company's license of the Software for commercial/distribution purposes (at which time Company's rights and obligations regarding the Software will be set forth in a separate software license agreement). The Parties hereto may, solely at CIRRUS LOGIC's discretion, renew each License for an additional period that shall be determined by CIRRUS LOGIC at that time. Should renewal(s) be granted by CIRRUS LOGIC, CIRRUS LOGIC will notify the Company in writing (including via email), including confirmation of the renewal term if this is not twelve (12) months, and the terms, conditions and limitations of this Agreement shall continue to govern the License, as extended. This Agreement does not create a right for the Company to receive any Software, nor any upgrades that may be issued from time to time.

2. RESTRICTIONS. The Software and any Evaluation Board(s) are provided solely for the Purpose, and Company agrees not to use the Software and/or any Evaluation Board(s) for any other purpose. **Supply of the Software and/or any Evaluation Board does not convey a license nor imply any rights to use the Software or any Evaluation Board in any finished end user or ready-to-use final**

product. Commercial and/or production use of the Software is expressly forbidden unless Company has been granted a license for distribution and (if applicable) a production license key has been issued to Company, and any applicable license fees have been paid. Except as permitted under Clause 1, Company may not transfer or sub-license, either temporarily or permanently, any right to use the Software or an Evaluation Board under this Agreement. Company may not transfer or sub-license, either temporarily or permanently, any right to use the Software under this Agreement, unless it receives prior written consent from CIRRUS LOGIC to do so. Company agrees not to: i) otherwise copy, adapt or reproduce the Software or any Evaluation Board; ii) modify, decompile, disassemble, translate or reverse engineer the Software or any Evaluation Board; (iii) decode, decrypt the Software or any Evaluation Board in whole or in part, or remove, circumvent or neutralize any security measures incorporated therein; iv) sell, assign, encumber, time share, rent, lease, lend, distribute, localize, or port the Software, allow remote access to the Software, or place the Software on any publicly accessible internet site; v) manufacture or create derivative works of the Software or Evaluation Board, or grant anyone a license to engage in similar conduct; or use the Software or Evaluation board with any platform other than Raspberry Pi3. If Company requests support during the Evaluation Period, CIRRUS LOGIC has no obligation to provide any such support but if it agrees to do so it has the right to charge for its service. The Software may incorporate, or link to, programs or libraries created using open source code. Company must comply with relevant license terms relating to such code. Such terms may be provided to Company with the Software or may be otherwise notified to Company.

3. TERMINATION. Within ten (10) days of the termination of a License, Company agrees that it will return to CIRRUS LOGIC any and all copies of the Software provided to Company by CIRRUS LOGIC under such License, or, upon the written permission of CIRRUS LOGIC, Company may destroy any copies of the Software, including any original, backup or archival copy Company may have installed, downloaded or recorded on any computer, memory system, or magnetic or optical medium. Upon written request from CIRRUS LOGIC, an officer of Company will certify in writing that it has complied with this provision and has not retained any copies of relevant Software or Evaluation Board(s). The terms of this Agreement shall remain in effect notwithstanding termination or expiry of a License, and (unless otherwise advised by CIRRUS LOGIC) will govern subsequent Licenses of Software provided by CIRRUS LOGIC for evaluation or development purposes. The Agreement may be terminated by CIRRUS LOGIC by providing notice in writing to that effect.

4. OWNERSHIP, RIGHTS AND DUTIES. CIRRUS LOGIC and/or its licensors own the Software and each Evaluation Board, and all proprietary rights therein. The Software and Evaluation Boards are protected by U.S. and international copyright laws, other applicable intellectual property laws, and other applicable laws and treaty provisions. All rights to copyrights, patents, trademarks and trade secrets in the Software and Evaluation Boards, and/or any modifications to the Software and/or Evaluation Boards, shall be and remain vested in CIRRUS LOGIC and/or its licensors. By entering into this Agreement, Company does not become the owner of the Software provided to it, but is instead granted certain rights to use the Software and Evaluation Board(s) in accordance with the terms and conditions of this Agreement. Company agrees to use its best efforts and to take all reasonable steps to protect the Software and Evaluation Board(s) from unauthorized use, illegal reproduction, or illicit distribution. Company agrees that it will not copy or distribute the Software and any Evaluation Board(s), other than as expressly allowed by this Agreement, and Company agrees that it will maintain and reproduce all copyright and other proprietary notices on any copy in the same form and manner that such copyright and other proprietary notices are included on the Software or Evaluation Board. Company shall keep complete and accurate records of its use of the Software and any Evaluation Board(s) and shall, on request, promptly provide to CIRRUS LOGIC any requested data regarding such use. Company shall also permit CIRRUS LOGIC and/or its authorized representatives to have access to and inspect any records kept in connection with its use of the Software and any Evaluation Board(s).

5. THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS. **COMPANY ACKNOWLEDGES THAT THE LICENSED SOFTWARE MIGHT UTILIZE OR IMPLEMENT INTELLECTUAL PROPERTY OF THIRD PARTIES. COMPANY REPRESENTS AND WARRANTS THAT IT HAS, OR WILL ACQUIRE, ALL RIGHTS UNDER SUCH INTELLECTUAL PROPERTY WHICH ARE NECESSARY FROM ANY THIRD PARTY TO USE THE SOFTWARE FOR ITS FUTURE DISTRIBUTION OF THE SOFTWARE WITH**

COMPANY'S PRODUCTS. IF COMPANY BREACHES THIS WARRANTY, COMPANY SHALL INDEMNIFY AND DEFEND CIRRUS LOGIC AGAINST ALL CLAIMS, DAMAGES (SPECIFICALLY INCLUDING CLAIMS FOR DIRECT AND CONTRIBUTORY INFRINGEMENT), AND EXPENSES INCURRED (INCLUDING REASONABLE COSTS OF DEFENSE) AS A RESULT OF THAT BREACH. ALTHOUGH CIRRUS LOGIC SHALL CONSULT WITH COMPANY, CIRRUS LOGIC WILL CONTROL THE DEFENSE OF ANY SUCH CLAIM, AND COMPANY SHALL COOPERATE WITH AND ASSIST CIRRUS LOGIC AS IS REASONABLY REQUESTED.

6. CONFIDENTIALITY. Company acknowledges that in the course of using or evaluating the Software and/or an Evaluation Board, Company may obtain or be provided with information relating to the Software, the Evaluation Board, and/or CIRRUS LOGIC, its Affiliates, and the products, business, customers, partners and suppliers of CIRRUS LOGIC and its Affiliates ("**Proprietary Information**"). Such Proprietary Information shall belong solely to CIRRUS LOGIC and includes, but is not limited to: the design, code, architecture, features, functions and modes of operation of the Software and any Evaluation Board; trade secrets; know-how; inventions (whether patentable or not); techniques; processes; programs; algorithms; testing procedures; other computer code; design and function specifications; product requirements; problem reports; analysis and performance information; software and hardware documents; and other technical, business, marketing and financial information. During and after the term of any License and this Agreement, Company agrees: (i) not to use (except as expressly authorized in this Agreement), disclose, or provide any third-party access to any Proprietary Information without the prior written consent of CIRRUS LOGIC; (ii) to take all reasonable measures to maintain the confidentiality of the Proprietary Information in a manner in which Company would protect its own Proprietary Information; and (iii) to restrict access to the Software, any Evaluation Board and Proprietary Information to only those employees, consultants or contractors of Company and its Affiliates as are necessary for the evaluation of the Software in connection with the Purpose, and only after such employees, consultants or contractors have agreed in writing to be bound by provisions similar to the terms of this Agreement. Obligations and conditions applicable to the Company under this Agreement shall also apply to third parties to whom access to any Software, or an Evaluation Board, has been allowed or enabled by the Company. The full and proper discharge of those obligations, and compliance with all relevant conditions by any such third parties, shall be the responsibility of the Company.

7. NO WARRANTIES OR LIABILITIES. COMPANY EXPRESSLY ACKNOWLEDGES AND AGREES THAT THE SOFTWARE AND ANY EVALUATION BOARD ARE PROVIDED BY CIRRUS LOGIC "AS IS" WITHOUT ANY WARRANTIES WHATSOEVER AND THAT THE INSTALLATION, OPERATION AND USE OF THE SOFTWARE AND ANY EVALUATION BOARD BY COMPANY, AND BY THOSE COMPANY PERMITS TO USE THE SOFTWARE AND ANY EVALUATION BOARD IS AT COMPANY'S OWN RISK. CIRRUS LOGIC MAKES NO WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, AND EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, GOOD TITLE, NONINFRINGEMENT, SATISFACTORY QUALITY OR PERFORMANCE OR WHICH MAY ARISE FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE. CIRRUS LOGIC SHALL IN NO EVENT BE LIABLE TO COMPANY OR ANYONE ELSE FOR ANY LOSS, INJURY OR DAMAGE CAUSED IN WHOLE OR PART BY THE INSTALLATION, OPERATION OR USE OF, THE RESULTS PRODUCED BY, OR FAILURES, DELAYS OR INTERRUPTIONS OF THE SOFTWARE AND/OR AN EVALUATION BOARD. CIRRUS LOGIC SHALL IN NO EVENT BE LIABLE TO COMPANY OR ANYONE ELSE FOR ANY DIRECT, CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES, INCLUDING BUT NOT LIMITED TO ANY LOST PROFITS ARISING OUT OF OR RELATING TO THE INSTALLATION, OPERATION OR USE OR INABILITY TO USE THE SOFTWARE AND/OR AN EVALUATION BOARD, OR ANY DECISION MADE OR ACTION TAKEN BY COMPANY IN RELIANCE ON THE SOFTWARE AND/OR AN EVALUATION BOARD, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE AND ANY EVALUATION BOARD IS WITH COMPANY. COMPANY SHALL DEFEND AND INDEMNIFY CIRRUS LOGIC AGAINST CLAIMS MADE BY THIRD PARTIES WHICH COMPANY HAS PERMITTED TO USE THE SOFTWARE AND ANY EVALUATION BOARD. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CERTAIN WARRANTIES OR TYPES OF CLAIM OR LOSS THEN IN SUCH INSTANCES THE ABOVE EXCLUSIONS SHALL BE

INTERPRETED TO APPLY TO THE EXTENT PERMITTED BY LOCAL LAW. TO THE EXTENT ANY WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE EVALUATION PERIOD.

8. EXPORT RESTRICTIONS. Company acknowledges that the Software and Evaluation Boards are subject to the export control laws and regulations of the United States of America and other countries. Company agrees it will not export or re-export the Software, directly or indirectly, either to (i) any countries that are subject to U.S. export restrictions (currently including, but not necessarily limited to, Iran, Iraq, Syria, Cuba, North Korea, Libya and Sudan and any other countries to which export is restricted by the U.S. government); (ii) to anyone who Company knows or has reason to know will utilize the Software and/or any Evaluation Boards in the design, development, or production of nuclear, chemical or biological weapons; (iii) to anyone who has been prohibited from participating in U.S. export transactions by any federal agency of the U.S. government; or (iv) in violation of the laws of any other country. Company further acknowledges that the Software may include technical data that is also subject to export and re-export restrictions imposed by U.S. and other laws.

9. GENERAL PROVISIONS. This Agreement and each License governed by this Agreement, are not assignable, transferable or (other than as permitted hereunder) sub-licensable by Company without the prior written consent of CIRRUS LOGIC, and any attempt to do so shall be void. CIRRUS LOGIC may at any time sub-license, assign, novate, charge or deal in any other manner with any or all of its rights and obligations under this Agreement without Company's consent. CIRRUS LOGIC may amend part or all of the Agreement, by giving at least fifteen days written notice to the Company. If the Customer does not agree to any such amendments it shall be entitled to terminate the relevant License and (if it elects) this Agreement. Any notice, report, approval or consent required or permitted hereunder shall be in writing and will be deemed to have been duly given if delivered personally or mailed by first-class, registered or certified mail, postage prepaid to the respective published principal or registered addresses of the parties. The waiver by either party of a breach of this Agreement or any right hereunder shall not constitute a waiver of any subsequent breach of this Agreement; nor shall any delay by either party to exercise any right under this Agreement operate as a waiver of any such right. If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. This Agreement shall be deemed to have been made in, and shall be construed pursuant to the laws of the State of Texas and the United States without regard to conflicts of laws provisions thereof. Both parties hereby consent to the exclusive jurisdiction of the State of Texas and the locale of Austin therein. The prevailing party in any action to enforce this Agreement shall be entitled to recover costs and expenses including, without limitation, attorneys' fees. The parties agree that a material breach of this Agreement adversely affecting CIRRUS LOGIC and/or its licensor's proprietary rights in the Software and/or any Evaluation Board would cause irreparable injury to CIRRUS LOGIC for which monetary damages would not be an adequate remedy and that CIRRUS LOGIC and its licensors shall be entitled to equitable relief in addition to any remedies it may have hereunder or at law.

10. ENTIRE AGREEMENT. This Agreement constitutes the entire agreement between Company and CIRRUS LOGIC with respect to the Software and Evaluation Boards provided pursuant to this Agreement and supersedes any other agreement between Company and CIRRUS LOGIC with respect thereto, but does not otherwise replace, modify or cancel any other agreement between Company and CIRRUS LOGIC.
